

DO YOU AND YOUR FAMILY QUALIFY?

Ask your HR manager about earned benefits today.

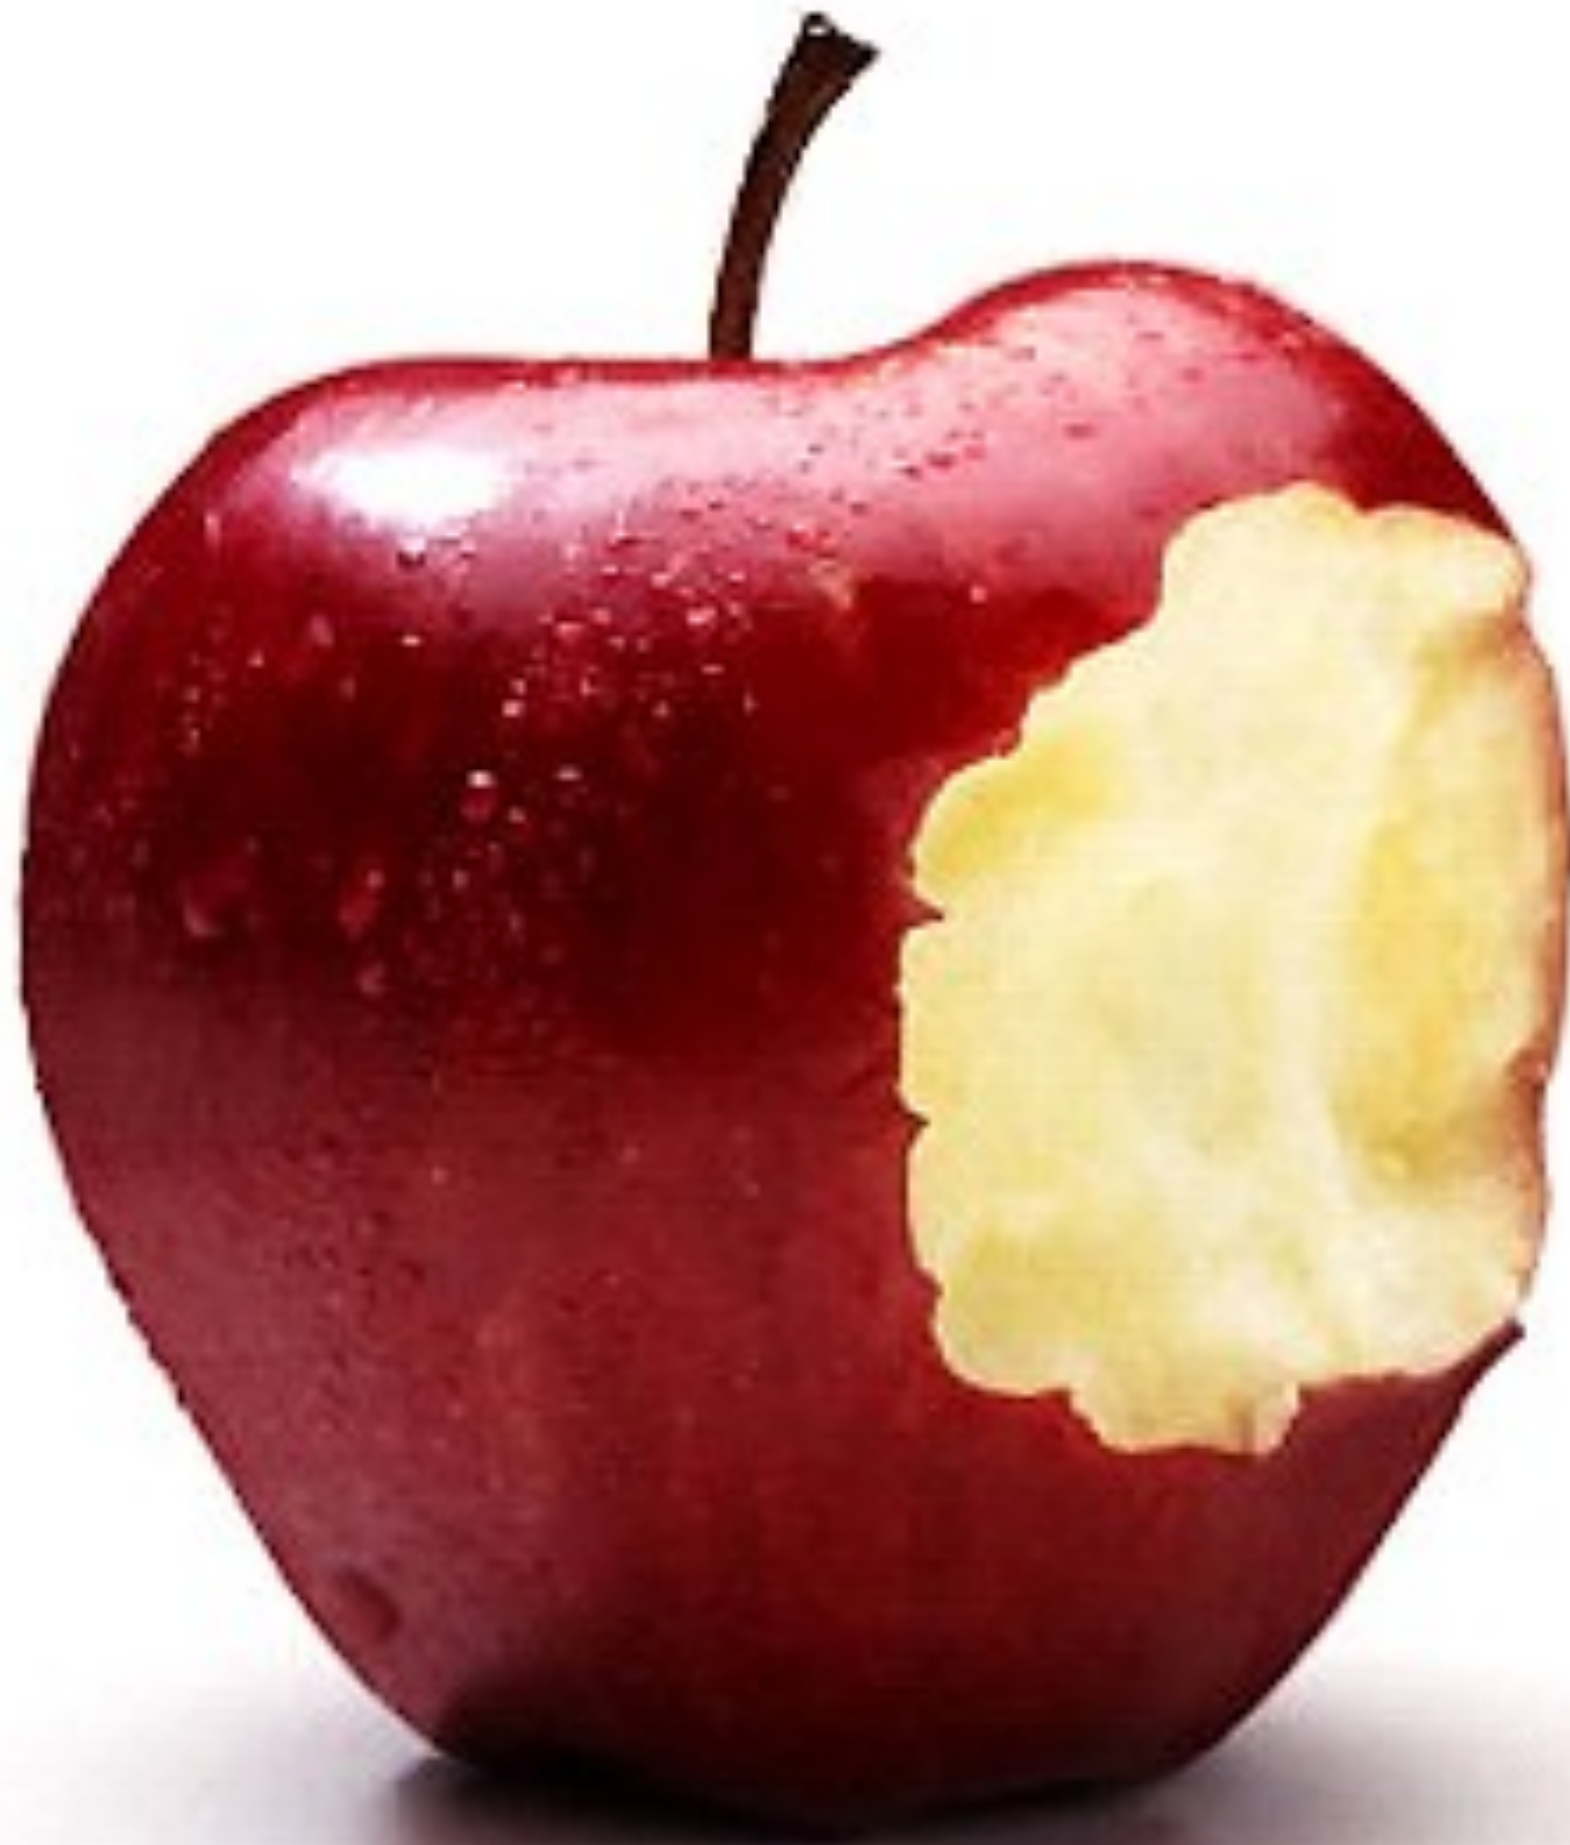

The National Human Services Assembly is committed to the workers and families in the communities our members and sector serve. That's why we're sponsoring *Bridging the Gap* — an initiative that connects frontline working families with the federal benefits they've earned.

Find out more today, visit:

An apple a day doesn't always
keep the doctor away.

That's why it's important to know about earned benefit programs like Medicaid and the Children's Health Insurance Program (CHIP) that can help pay for medical care for you and your family.

Find out if you qualify. Talk to your HR manager and learn more at www.insurekidsnow.gov.

Sponsored by the National Human Services Assembly – Supporting working families through benefits access.
