

A network of leading national nonprofit human service organizations committed to helping everyone reach their full potential.

## MEMBERSHIP WITH THE NATIONAL ASSEMBLY

The National Human Services Assembly is a membership-driven change agent and leading collaborative voice for the sector nationwide. The National Assembly addresses the most pressing human services challenges of the times as a convener, collaborator, thought-leader, advocate and business partner with its members and associated networks. It supports and strengthens nonprofits and their professionals through capacity building, learning and development, special initiatives, and public policy.

- **Full Membership** is for nonprofits that are national in scope and primarily focused on providing human services.
- **Associate Membership** is for nonprofits that have a substantial interest in human/social services and/or the broader nonprofit sector.
- **PurchasingPoint® Membership** is for nonprofits outside of the human service sector to share the group purchasing program with their network or members.
